

Capo 1

BULLETS

OH I'm so glad you found the cure F#M
 It was so sad when you weren't sure Bm
 I know you think we need to talk Dm A E
 You say those regrets will burn a whole F#M
 in my black and withered soul Bm
 You're gonna think I'm wicked when I walk Dm A E
 Long nights, I'll get sad that you're gone A EG F#M
 But I'll be smiling with the sun EG Bm
 I knew your bullets wouldn't stop Dm A E

CHORUS:

I know you think I took a lot from you F#M D A-E
 I bet you think I don't like running too F#M D A-E
 I know I said that I would call you soon F#M D A-E
 I bet you thought that I would come for you. F#M D Dm

A EC
vz. Oh years go by, we change so quick
I guess my skin has gotten thick^{EG} A E
I just know time will always mend^{DM}

A EG F#
I know it was great when I was good

EG BM
Still I can't love you like I should
DM A E
My heart is broke so it can't bend

A EG
OH sleep, coming fast with
F#M
the moon

EG
know I'll be dreaming
of you soon^{BM}

DM
And in the morning
A E
it will end.
